This memorandum is to advise staff of upcoming available informational sessions to learn about the Extended Foster Care (EFC) program. The sessions are intended for youth currently in foster care and their caretakers. Each session will provide information regarding the EFC referral processes, notifications, eligibility criteria, and to answer any questions regarding the program. There will be young adults who are currently participating in the EFC program who will be able to answer the youth's questions directly. These sessions will be held virtually on the first Monday of each month from 6:00pm – 7:00pm. Registration is not needed.
